ACTIVITY SCHEDULING

We organise our outdoor activities in two time slots on a daily basis. This is 10 – 1pm & 2 – 5pm
For activities, a minimum group of 4 is required on any activity and for team activities 8 +.
For land based activities the ratio is 1 instructor to every 10 / for water activities it is 1 instructor to every 8.

In each time slot you do either land based or water based activities. You don't do a mix in a half day time slot as you waste too much time in the dressing rooms changing out of kit.

Some activities can be combined together in a time slot, but some take the full 3 hours to complete. Please remember that, walking to the activity site, kitting in and out (wetsuits / harnesses/ combat gear etc.), showers, and putting away equipment is part of the session.

WATER BASED ACTIVITIES

The following activities can be combined together, so two activities would run in a time slot.
Kayaking, gorge walking, raft building, mini water obstacle course,
Ringo rides would be combined with gorge walking or mini water obstacle course.

LAND BASED ACTIVITIES

The following activities can be combined together, so two of the activities would run in a time slot.
Killary ropes challenge, giant swing, archery, archery combat, climbing tower, orienteering,
Killary challenge, abseiling. Clay pigeon shooting is usually run where it is combined with archery for adult groups.

The Killary ropes challenge has about 10 different elements on it so can be done as a full session to complete all the aspects of it.

COMBINED PROGRAMMES

The Adventure Quest programme is a combination of some aspects of the Killary ropes challenge and Killary challenge, and raft build. It is a specific team driven programme.

Our speedboat and mini water obstacle course come off the water at the end of September and go back on the water in March as these are very weather dependent.

FULL SESSION

The following activities take up a full time slot and are not combined with other activities.

- Bush craft & survival
- Hill walk
- Paintball*
- Sea Kayaking Trip
- Turf Challenge
