SUMMER CAMPS 2023

SO MUCH MORE THAN JUST A HOLIDAY

KILLARY SUMMER CAMPS

So much more than
just a holiday.

They are real adventurers that are created and focused around children. They are days and weeks packed full of thrills, challenges and adventures!

Adventure is in our DNA. We have been market leaders in adventure in Ireland for over 40 years. We have welcomed thousands of schools, groups, families and children to Killary over the years. We know what makes a great Summer camp.

WHAT WE KNOW MAKES A GREAT SUMMER CAMP:

1. A high quality, safe adventure centre using top quality equipment.
2. Staff specially trained in-house and in their chosen field. They are enthusiastic, motivated and compassionate instructors.
3. Action packed days from beginning to end.
4. Everything is included in our price; all equipment, instruction, accommodation and food.
5. Getting kids off the devices and into the great outdoors!

"My daughter spent a week at Killary Summer camp and absolutely loved it! The place looks fantastic, great activities and really nice staff."

Niamh - Parent

SAFETY IS OUR TOP PRIORITY

SUPERVISION AND SAFETY

It is at the heart of everything we do. We ensure 24hr supervision. Our highly trained instructors who are Garda vetted, REC and child protection trained, will teach your children new skills, help them push their boundaries and ensure their safety every step of the way.

MOVE MORE – A FIT HEALTHY LIFESTYLE

We believe adventure matters and time in the outdoors is essential in today's digital age. Our mission is to inspire a love of the outdoors in every child that comes to Killary. We motivate them, help them push boundaries, open their eyes to the outdoors and what they can do within it

“Fantastic company. Responsible, safe, clean and great activities. The staff are friendly, helpful and great with young people. My daughter was with them for a week on residential summer camp and she had a fantastic time. As a parent i was really happy with the care and communication between staff and myself before and during my daughters stay.”
